| 単位数 | 2単位 |
| 担当教員名 | C. Christian Jacobson |
| 授業の目的 | The goal is to give students a general overall understanding of methods of "management" of "international commercial disputes". This an "introductory" class for international commercial disputes. We will study prevention, handling, resolution and other "management" methods for commercial disputes. |
| 履修条件 | The basic prerequisite for taking this course is recognition that the future of Japan requires an international focus, and a desire to expose oneself to opportunities that will help grow needed international skills. |
| 到達目標 | カリキュラムマップ、到達目標科目対応表及び学修ロードマップを参照のこと。 |
| 授業の概要 | Each session will consist of a legal related document discussion and drafting at a basic level. Particularly important will be the parts of documents that deal with dispute resolution. We will spend time looking at arbitration. |
| 授業計画 | Introduction Each class will have an assignment and discussion of the topics to be decided. 第3回 第4回 第5回 第6回 第7回 第8回 第9回 第10回 第11回 第12回 第13回 第14回 第15回 |
