

Bilingual Master's Program in Law (*BiP*)***Application Guidelines for Recipients of a Japanese Government
Embassy Scholarship
(For Spring or Autumn 2027 Admissions)*****1. Introduction**

Please read the following Application Guidelines before submitting an application.

The Bilingual Master's degree program in Law (*BiP*) offers students the unique opportunity to engage in graduate level study of law in a “bilingual” environment at a law faculty in Japan. The program is designed for students who already have a solid foundation in the Japanese language but wish to improve their Japanese ability, whilst at the same time engaging in classroom study and supervised research across a wide range of subjects in the fields of law and political science.

Additional information on the BiP can be found at:

<http://www.law.kyushu-u.ac.jp/programs/english/>

Please note that this application process only covers admission for the Bilingual Master's Program in Law. The procedure for confirmation of the Embassy Scholarship is different. Please consult with your local Japanese Embassy for further details.

2. Program Duration

BiP is taught on a full-time basis and takes a minimum of 12 months for completion, beginning in either April or October every year and ending in March or September of the following year.

Students are able to extend the period of study for an additional 6 or 12 months (one or two semesters) if they so wish. Please note that the decision to extend the period of study is subject to faculty approval.

Candidates with an Embassy Scholarship may apply for Spring or Autumn 2026 admission.
