

Bilingual Master's Program in Law (*BiP*)

Application Guidelines for Privately Funded Applicants **(For April or October 2024 Admissions)**

1. Introduction

Please read the following Application Guidelines carefully before submitting an application.

The Bilingual Master's degree program in Law (*BiP*) offers students the unique opportunity to engage in graduate level study of law in a “bilingual” environment at a law faculty in Japan. The program is designed for students who already have a solid foundation in the Japanese language but wish to improve their Japanese ability, whilst at the same time engaging in classroom study and supervised research across a wide range of subjects in the fields of law and political science.

For further details on the *BiP*, see: <http://www.law.kyushu-u.ac.jp/programs/english/>

Please note that this application process covers applicants who intend to finance their own studies, either with private resources OR a scholarship that is not provided by the Japanese government. If you are the recipient of a Japanese Government Embassy Scholarship, please use the separate guidelines specifically for that purpose.

2. Program Duration

BiP is taught on a full time basis and takes a minimum of 12 months for completion, beginning in either April or October every year and ending in March or September of the following year.

Students are able to extend the period of study for an additional 6 or 12 months (one or two semesters) if they so wish. Please note that the decision to extend the period of study is subject to faculty approval.

3. Admission Requirements

For admission to *BiP*, applicants must meet the following requirements:

1. An undergraduate degree in either Law OR Japanese/East Asian Studies.
2. A good command of oral, written and reading Japanese. Although there is no formal Japanese language requirement for *BiP*, an interview will be conducted with all candidates to ensure that students have the ability to fully participate in courses taught in Japanese. In addition, students will be obliged to submit a personal statement written in Japanese as part of the application process.
3. A good command of English. A *TOEFL* score of 79+ (Internet-based) or equivalent is required for non-native English speakers.
4. Sufficient financial support for the duration of the program.

Please note: Japanese Nationals are not eligible for *BiP*.

4. Tuition & Fees

On enrollment, all incoming students must pay an Examination Fee and Entrance Fee, in addition to the Tuition Fees.

For the academic year 2023-2024, the fees were as follows:

Tuition Fees (for one year): ¥535,800

Registration Fee: ¥30,000

Entrance Fee: ¥282,000

Please note that this amount is subject to annual review. The final amount for 2024-25 is available upon request from admissions@law.kyushu-u.ac.jp.

A fee waiver scheme operates for students demonstrating a high level of academic performance. Please note that it is rare for students to receive a waiver on the Entrance Fee, and for the Tuition Fee successful candidates normally only receive a remission of up to 50%.

5. Application Materials

Applicants are requested to submit by registered airmail or equivalent (i.e. Federal Express, DHL etc.), **an original and one copy** of the following documents:

1. Completed ***BiP* Application Form** (form attached below). Please note: (1) It is very important that the name that you include in Section 1 of the Application Form is the same as the name in your passport. The Student Visa of successful applicants will be issued with the name provided in Section 1, and it can cause problems at immigration when entering Japan if the names are different. (2) Nationality. You must indicate if you have dual nationality or Japanese nationality.
2. Photocopy of **Graduation Certificate** of the last university and graduate school attended, OR a **Certified Letter** from the university at which the applicant is currently attending, stating the expected graduation date.

5. For non-native speakers, **proof of English proficiency** must be provided. A *TOEFL* score of 79+ (Internet-based) or equivalent is required for non-native English speakers.

All application materials should be typed **in English** on the attached forms or additional

sheets of A4 paper.

In the event materials required above are in a language other than English or Japanese, a translation into one of these languages must be attached.

Application materials will **not** be returned to applicants.

6. Application Deadlines

The deadlines for receiving application materials are as follows:

For Spring 2024 admissions: **November 2, 2023.**

For Autumn 2024 admissions: **April 24, 2024.**

Applications arriving after these dates cannot be accepted.

7. Interview

Candidates will be interviewed either by ZOOM, phone or (if it is convenient) in person within 6 weeks of the application deadline.

The main purpose of the interview is to assess whether an applicant's Japanese language is of an appropriate standard to pursue graduate study of law in Japanese.

8. Notification of Result

Applicants will be informed of the result of their application within six weeks of the interview.

9. Warning

Successful applicants will have their enrollment at Kyushu University withdrawn immediately in the event of **any** of the following:
